## ***II. Community Activist***

In addition to being a devoted family man, Minister Robert was an active member of the community in and around Grand Rapids, Michigan. He served as a minister in the Nation of Islam and maintained a close working relationship with the Christian community through Life Quest Ministries.

## ***III. Untimely Death***

September 5, 2014, started like any other day for Minister Robert. He helped to get the children prepared for school, kissed his wife, and headed off to work.

At some point during the day, he and other co-workers went to Muskegon Lake for an "outing". During the course of the outing, they all got onto a boat and road out onto the lake.

As the "story" goes, Minister Robert began swimming back to shore, got within 5 feet of the boat, and simply went under the water.

This is what he looked like before he got into the water on September 5, 2014:

This is what he looked like when he was pulled from the water, dead September 6, 2014:

## ***IV. Questionable Investigation***
